

# Aldershot Vs Crewe Junior Reporter

## Competition

We had good supporters behind our team with 2783 Aldershot fans. After conceding an early goal in the first minutes. It was not a very good start, we should of closed the opposition down and stop them from shooting and passing.

Joel Grant had a good game on his return to the EBB Stadium. Joel was very swift and knew what to do. Aldershot soon pulled together had a very good chance after a shot from Anthony Charles, but good defending with a brilliant block which deflected for a corner; unfortunately it hit the Crewe defender in the face and had to be substituted.

Later in the first half the shots won another corner, Ben Harding went to take it and he crossed it in and it somehow ended up in the back of the net. Marlon Jackson was awarded the goal after they say it came off his knee, only later after the final whistle was it awarded to Ben Harding, amazingly scoring directly from the corner kick. A few minutes later Dean Morgan was 1 on 1 with the goalkeeper unfortunately he lifted the ball over the bar. Then Crewe were on the break. Clayton Donaldson had a good chance to score, but a fantastic save yet again from the fabulous on loan keeper Jamie Young.

None of the sides seemed to play very well. But to cheer us up we heard about how the other teams in the playoffs were losing. And a whole lot of fun with the crossbar challenge. We had improved since our 2-0 loss to Torquay on Tuesday night. But the shots could have played better than they did in the first half.

Then we restarted play for the second half with kick off. About 10 minutes later Zola had a chance but saved for a corner by shots loan Keeper Jamie Young. Not long later Kirk Hudson came on for Louis Soars, and cut the ball into Dean Morgan but just lifted over the bar.

When 4 minutes were added on Oliver Bozanic crossed the ball into Dean Morgan who had a powerful shot on goal but came off the post and went towards Straker but fired wide.

The game finished 1-1 and I was disappointed how we played. The shots need to work well in training and win our last 3 games. We could go down to 10<sup>th</sup> in just 1 game. Aldershot picked up a point and luckily moved up to 6<sup>th</sup>.
