Nottingham Forest continued their impressive home form with victory over struggling Peterborough. Striker Rob Earnshaw hit his 13th goal of the season to give the Reds their 11th win in a row at the City Ground. Earnshaw was unmarked in the penalty area to knock the ball home. He nearly scored a second but the Peterborough keeper Joe Lewis made a good save. But it was a hard fought win, with the visitors also putting the Reds under pressure. Lee Camp made some vital saves to make sure Forest kept a clean sheet. Forest's assistant manager David Kelly said "The young players have come through and done really well. A thoroughly deserved three points," he said.
