

Rovers give Leeds footballing lesson

Doncaster 1-0 Leeds United

Doncaster Rovers had a nail-biting game at the fabulous Keepmoat Stadium.

At first, the team was not getting the hang of the meaning 'football'. The players were not scoring goals, although they nearly scored when they got a penalty. Then it turned into a nightmare ! Joel Parramore skilfully passed the ball to Daniel Robinson, who unpredictably booted the ball into the crowd. What was he thinking ?

Mark Monroe then entertainingly chipped the ball into the net and the team went wild. Only a few minutes later, Ashley Wardle scored with an amazing pass from Daniel Robinson. He blasted the ball at the goalkeeper, the ball hit the post and went shooting into the goal – it was an exhilarating moment for the crowd. Suddenly, the whistle blew, time was up, Doncaster Rovers won !
