It's just about full at Rotherhams new 15,000 All seater stadium. 3.00pm the whistle blows to start this semi final with added spice in the shape of two local rivals each at ends of division 1. R.U.F.C looking to secure a play off place and S.W.F.C trying to stay in the division.

Fifteen minutes in it's still stalemate with both teams unable to get the ball on the floor due to the frantic pace.

Just before half time Tudgay swings in a low ball to which Burton meets on the volley and balloons it into the new rival which gets a reaction of mass cheering. As the whistle blows both teams leave to mass booing from both sets of supporters.

The second half starts with more vigour both teams trying to get that goal which will send them to Wembley. Taylor bolts down the wing skipping past two defenders as he reaches the line he sends a long ball to field his volley it into the top corner which sends the net rippling.

The crowd goes wild 1-0 to Rotherham suddenly the game comes to life. With time running out Wednesday push every inch forward but Rotherham having ten men behind the ball. The door remains tightly closed Howard Webb gives a final blow of the whistle and that sees Rotherham marching to a day at Wembley.
